Louise Bennett's Volunteer Experience at Two Smalls Thrift Shop

Hello! My name is Louise Bennett. As a new volunteer at the Two Small Rooms Thrift Shop, I would like to introduce myself. I grew up in Red Bank, New Jersey and moved to Canada when I was 24. I am now a proud Canadian. My husband Grant and I began farming in Otonabee-South Monaghan Township in 1975 and raised our three children, Ian, Molly, and Sarah here. I am the Peterborough District Representative for the North Shore Women's Institute. My favourite leisure activities are reading, gardening and flower arranging.

Volunteering at the shop is a pleasure. The volunteer-run shop is well managed, and volunteers are cheerful and hard working. They have a flair for displaying merchandise in an attractive manner and make customers feel welcome. I have been impressed by the shop's extensive inventory. It offers reasonably priced men's, women's and children's clothes and an eclectic selection of books, cd's/dvd's, puzzles, craft supplies, vases, glassware, dishes, and other items.

One never knows what one will find at the shop. I enjoy watching customers discover the hidden treasure they have been searching for or picking out an outfit that fits and looks just right. (cont'd p.2)

Louise Bennett's Volunteer Experience at Two Smalls Thrift Shop (cont'd from p. 1)

Parents and grandparents of small children can buy a bag of high-quality clothes for \$5 and then return to buy another \$5 bag as their child grows. I rarely go home without a purchase. My husband jokes: "You go to the Thrift Shop to sell things not buy things."

Our Thrift Shop is a success because of loyal volunteers, customers, and donors. The generosity of donors from Otonabee-South Monaghan and beyond allows us to offer new merchandise every week. We have many loyal customers and new customers are discovering us all the time. We owe them all tremendous thanks for their Thrift Shop support which in turn provides additional funds for the library.

As you can see, I enjoy volunteering at Two Small Rooms Thrift Shop. It is a worthwhile, happy, and social place.
