Program Co-ordinator

My name is Andr anne Landry, and I am the new Program Coordinator here at Otonabee-South Monaghan Public Library! I am excited to be joining the team. I have my library science degree from Western University and diverse experiences in library settings. I am an avid reader, but my four children keep me very busy, so I don't read as much as I used to! My favorite genres are thriller/mystery and historical fiction, but I enjoy exploring new genres and formats. I also enjoy nature and going for walks with my dog. I am looking forward to implementing fun and creative programs at the three branches of OS MPL. Do not hesitate to contact me if you have with any ideas or would like to see a specific program at your library!
